City Manager Pat McCourt reported at the last work session held on October 4th discussed solid waste ordinance and at that meeting presented copy of the ordinance and tonight's copy is slightly different. The City Manager has received two (2) communications from citizens and they are minor: (1) Policy comment and (2) is the implementation and incorporation into Ordinance. The Policy is the Mayor and Council's call.

Discussion was held and suggestions were made by the Council and staff. City Manager McCourt plans to bring this at the next meeting to start publication process and adopt by January 1, 2011. The current contract expires prior to January 1st. Staff needs to have prices from haulers before for that meeting. Also staff is to consider including CPI and if that is direction from Council it allows each year to adopt rates.
