City Manager McCourt reported staff did get references and contacted accounts no longer with RDS. They have over 300 accounts and only one customer no longer with them and that is with Rutledge, Alabama. RDS still contracts with them for other services although not the Sales Tax Collection. All of the contacts the City Manager received positive feedback. Teleconference was held with the Mayor, City Manager and Finance Director from Bullhead City, AZ. The Mayor of Bullhead City gave a brief background on their decision to proceed with Revenue Discovery Systems after they held meetings with the Chamber of Commerce and the businesses. They were skeptical and asked themselves why should

Bullhead City self collect and after several public meetings and businesses getting on board they have since renewed their agreement in the middle of their third year for another 5-years.

Mayor Lindsey thanked the Mayor of Bullhead City and his staff for their candid responses and information. The Mayor appreciates RDS presence tonight and the interested persons from the City of Safford.
