Absent: Jeff Hooper, Clint and Amy Sanborn, Jeff Stoddard

Call to the Public:

None

Adoption of the Agenda:

All Committee members approved

Presentations by event organizers, experts and discussion by Committee:

- Agriculture Day presented

Discussion of Quail Park Master Plan

- Amphitheater: 500 Seating, open Grass, concrete pad and awning.
- Multi-Use Field: 1 K perimeter around the depressed area linked with the Fort Grant Trail
- Pond: Increase drainage to become another marketable bird area. Have the trail wrap and cut through the pond.
- Parking: Chip seal and have contestant parking next to practice arena
- RV Park: Identity a partnership with KOA, have RV contestant parking close to the arena.
- Commercial Kitchen: Awning over top of kitchen connecting the indoor arena to the outdoor arena. The commercial kitchen can be expanded to incorporate the bathrooms and the bathrooms can be built new.
 - Cost of City to run waste water pipes to the arena.
- Expo Center: 2,500 -5,000 seating capacity
 - Determine the # of people who attend other arenas
 - Determine maintenance costs of other arenas
 - Stanley New Mexico, Socorro, Queen Creek
- Restrooms: upgrade current restrooms
- Miscellaneous: Concrete pad between rodeo and expo center, awning from bleachers to concessions and bathrooms, area for a classroom, and stalls built near the arena.

Adjournment: 5:50 p.m.
