ILLEGAL DUMPING IN CITY DUMPSTERS

Gary Adams, Streets Supervisor, Public Services & Works

The city has dumpsters located throughout the city parks and on Railroad Ave. There are also many commercial dumpsters located around the city. People have been dumping their household trash in our City and commercial dumpsters illegally. Household garbage is to be dumped at the Cochise County Transfer Station off of East Maley Street if you do not have a contract with a sanitation company. The City is asking the public to stop dumping household trash in these dumpsters, and reminds you that anyone caught dumping illegally may be prosecuted to the fullest extent of the law: A.A.C.R18-13-312.

The City also has a compost area for dumping green waste such as grass cuttings and tree limbs. This area is located on Fairway Lane behind the Golf Course. If you live inside the City and have tree limbs or grass cuttings to be picked up, please prepare these items for disposal. Tree limbs need to be cut in lengths no longer than 4 to 5 feet and tied in a bundle. Grass cuttings and leaves need to be bagged and tied. Bags are not to weigh more than 35 pounds. If you have bulky items that need to be picked up, please contact Southwest Disposal at (520)384-0765.

The City of Willcox continues to encourage Willcox residents to take pride in our community, and to help us provide you with quick and efficient service. If you are unsure of your pickup days, have a damaged or lost container, or have any other questions, please call the City of Willcox Public Works Dept at (520)384-6447 or Southwest Disposal at (520)384-0765. Please help keep our City clean and report any illegal dumping. Thank you!
